SERVICE LINE COVERAGE

REACHING BELOW THE SURFACE

SEWER PIPES, SEPTIC LINES, WATER PIPES, POWER LINES, AND EVEN GEOTHERMAL PIPING ARE OUT OF SIGHT AND OUT OF MIND — UNTIL THEY BREAK.

Our Service Line Endorsement provides important protection for a service line failure.

YOUR YARD, YOUR PROBLEM.

Service line breakage could cost you thousands, because typically you, not the utility company, own the piping located between your house and the street.

PERSONAL, EXPERIENCED SERVICE

We've protected local families for generations. Discover the advantages of working with a local insurance company.

COVERAGE APPLIES TO UNDERGROUND:

- Water piping that connects from the dwelling to a public water supply system or private well
- Sewer piping that connects from the residence to a public sewer system or private septic system
- Power lines that provide electrical service to the dwelling
- Piping that connects to a heat pump supporting a geothermal application

ADDITIONAL COVERAGES

Includes the costs of trees, shrubs, plants, lawns, walkways, or sidewalks that are damaged during the repair of a service line. It can also pay for hotels, meals, or other living expenses if you have to leave your home because of a covered loss. This coverage is available at a \$10,000 limit per occurrence. A \$500 coverage deductible applies.
